

TREASURER REPORT

With God's blessing and guidance, the Treasury ministry focused on improved communication and collaboration, leading to process efficiencies.

Process Efficiencies

Reimbursement Checks

- Decreased number of paper checks by 40%
- Increased speed of delivery from 7-14 days to 1-3 days

Financial Reports

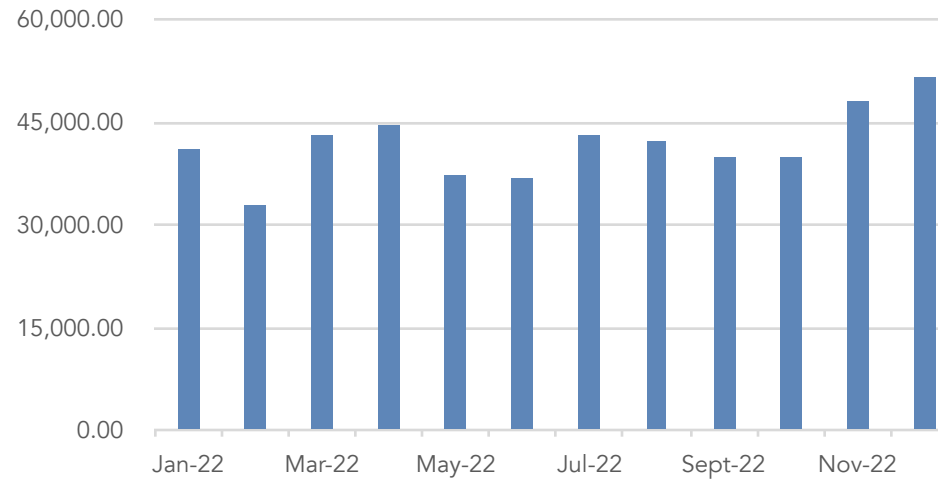

- Giving Report access on demand for church members
- More insight on local giving and tithe contributions available on church website

Requisition Process

- Introduction of requisition approval process through approved vendor
